

BIOGRAPHY

Andrea Hancock, Vice President and co-owner of Mattress Safe, Inc., has invested her knowledge of textiles and design to create state-of-the-art mattress encasements used for IPM.

Her love for humanitarian efforts also has led her to found P.E.S.T. Relief International, a nonprofit for the pest control industry to bring comfort and relief to those in need.

Andrea lives in Atlanta, Georgia with her family and welcomes the privilege to work with FPMA on a continual basis.
