

BIOGRAPHY

Dr. Tim Husen, BCE

Dr. Tim Husen is the Technical Services Representative for BASF Professional & Specialty Solutions covering the Southeast US. In this role, Tim supports BASF's innovation and product launch platforms, as well as providing direct support to BASF Professional and Specialty Solutions sales and marketing teams. Tim began his career in operational pest control at Waltham Services where he developed and directed technical and training operations and managed quality control procedures, personnel and reporting. Prior to joining BASF, Tim worked as a Technical Service Manager for Rollins Inc. where he provided a wide variety of technical support and guidance across the company including Operations, Marketing, and Training based out of Rollins Corporate headquarters in Atlanta, GA.

Dr. Husen is a subject matter expert on insect and rodent pest control tactics, products, and equipment with 18 years of experience in entomology and structural pest management. He is a board certified urban and industrial entomologist with 25 scientific or extension publications and numerous presentations at scientific and pest management-related events. Tim holds a Bachelor of Science degree in biological sciences, a Master's degree in entomology, and a Ph.D. in entomology from the University of Nebraska – Lincoln.
