

BIOGRAPHY

Jackie Valencia

Region 13 Director

Certified Operator in Charge
Owner

FumeOut Fumigation Services

Jackie is a graduate of the University of Florida/IFAS School of Fumigation and Indian River State College in Legal Services.

I have been involved in all phases of the Pest Control industry since 2002. Managing a large regional Pest Control company I decided to branch out and open a fumigation company which was much needed in our area. I love challenges so this was right where I felt I needed to move in this industry.

I have two children which are both sports stars so when I am not working I am always involved somewhere as team Mom and sponsor.

I love boating, mudding and Paddle Boarding. I volunteer and have a passion to help aid in Harbor Branches ocean preservation as well as Indian River Lagoon Preservation.

I was Born in Tampa FL, and moved to Fort Pierce at the age 3 and have been settled and in love with the Treasure Coast ever since.
