McCall Service Inc.

Kayla Carroll started with McCall Service, Inc. in 2012 as a Customer Care Representative. In her time with McCall, she has held many titles: “Customer Care Representative”, “Customer Care Administrator”, “Sales Administrator”, “Sales, Marketing and Admin. Coordinator”, “Customer Care Supervisor”, “Customer Care Manager” and as of July 2019 – “Administrative Director”. She enjoys the challenging yet fun nature of her work and ability to grow within the company.

Personally, Kayla is a mother to an awesome little girl, Lucy, and a wife of 10 years to Bryan. As a family, they enjoy all things Disney, traveling, spending time with our big, loud, crazy New England family and being members of the Girl Scouts.
