FPMA Frontline Training: Elevate Your Leadership Development

Phil Cooper, a dynamic leader, and innovator in the pest control industry, has spent years uncovering the secrets to developing exceptional managers. His Accelerated Gross Profit (AGP) program has been a game-changer, producing top-performing leaders both in pest control and beyond. Known for his hands-on, results-driven approach, Phil brings a wealth of knowledge and practical strategies that can elevate your leadership development efforts.

Here's what you'll gain from Phil's session:

- **Aligning Activities with Education:** Learn how to connect the right activities with educational goals to unlock your team's potential.
- **The Power of Coaching:** Discover the importance of pairing education with dedicated coaching to ensure strategies are executed effectively.
- **Proven Roadmap to Success:** Get an inside look at the AGP formula that has consistently produced exceptional managers and leaders.

Don't miss this opportunity—attend Phil's session and take-home actionable steps to transform your own management program
